The Two Of Me

There once were two of me.
One had life, gentle and cheerful.
The other had death, violent and morbid.
No one knew me.
They only saw the cruel or the good,
the hate or the compassion.

Fleeing from the two of me, I soared
leaving one of me behind
to lie in the sand and die.

Now I am known. I am no longer alone.

Many enemies are now mine,
For the part of me that died
Was the part that was kind.

Rubicon

The **Rubicon** staff has always struggled to generate student interest in a literary magazine. This year the struggle continued. Guided by Mr. Leaning, the present small board of editors was by no means inadequate. Stephen McDowell, last year's junior editor, was editor-in-chief, and Paul Heller filled the resulting vacancy. Associate editors were seniors David Pinney and Paul Lindahl.

The **Rubicon** has traditionally accepted works of prose and poetry from the students but this year also welcomed photography and sketchings. The best of the year's literary and artistic work comprised a large Spring issue. Although there was only that single issue, the board felt that when published (on schedule) it was well worth the efforts put into it.

The ATLAS

This year a notable change took place in the publication of the *Atlas* due to the endeavor of the faculty advisers and the staff. The paper became much more involved with the student as a whole. The citizenry partook in the mechanical and literary ends of the paper. More importantly, however, they engaged themselves in an awareness of their community; the *Atlas* became the means of this recognition to current provocative subjects within the institution. Such issues as marijuana and the appearance of apathy in the Wilbraham student

were discussed to a great extent in the paper and managed to arouse a great deal of interest within the student body. The *Atlas* not only covers topics such as those mentioned above but includes sports, organizations and worldwide news.

The *Atlas* provides for a closer and stronger bond among the students because it covers all aspects of school life and, therefore, one can get to know someone a little more personally. Playing the role of a school newspaper is a big job; but the *Atlas* and its tireless staff do a very commendable job.

AFRO-AMERICAN SOCIETY

The black students at Wilbraham wished to join together for their own unity and also to add a new dimension to the Academy. They first met together as a whole just prior to Christmas last year. Not wanting to represent the liberalization of school policy toward integration, the idea of an Afro-American Society, similar to those on many college campuses, arose. After long discussions with Mr. Cramer and Mr. Mattern, they gained the necessary approval.

The first undertaking of the new society was active participation in the Northern Educational Services tutoring program. Here the black students felt they could aid underprivileged children to

benefit from a better education than they themselves had received.

The Afro-Am was still relatively unknown and wanted to "expose" itself to the student body. A visit by speakers from the Harvard and Dartmouth Afro-American Societies resulted that Spring.

Returning to school last fall, the Afro-Am opened its channels of discussion to the whole school at a special assembly. The Afro-American Society wants to make white students more aware of the black people's life and to bring about a greater understanding between the races.

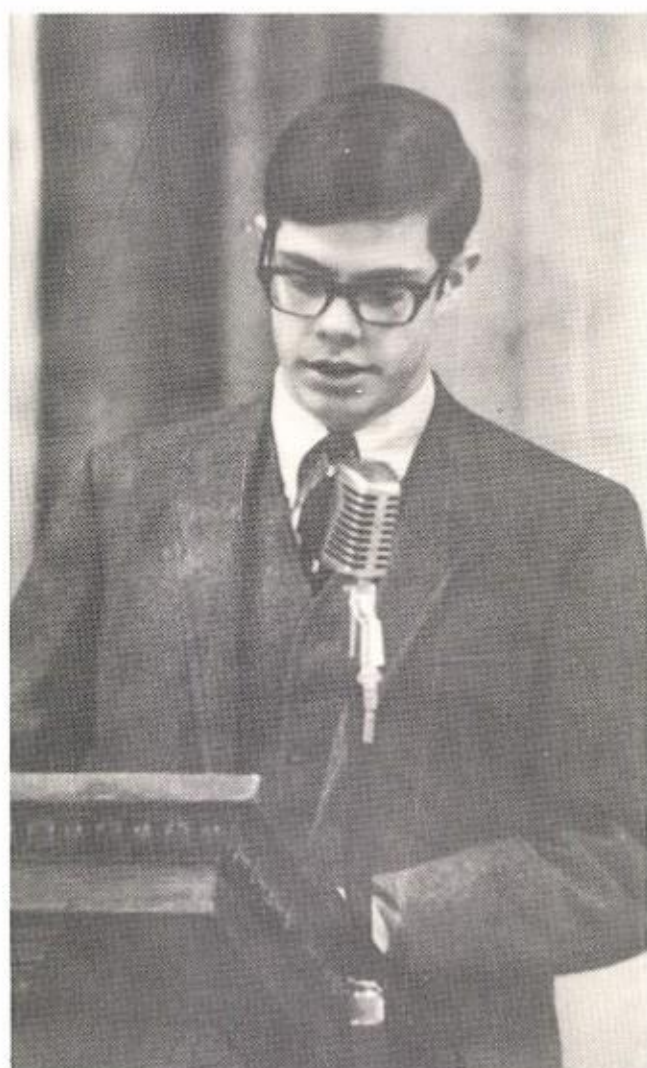

With "understanding" as its theme, the Afro-Am planned an eventful and interesting year.

Membership to the Wilbraham Glee Club, which is directed by Mr. Stratton, is determined on the basis of voice trials held at the beginning of each year. Once members have been selected, the Club rehearses weekly in preparation for its several programs.

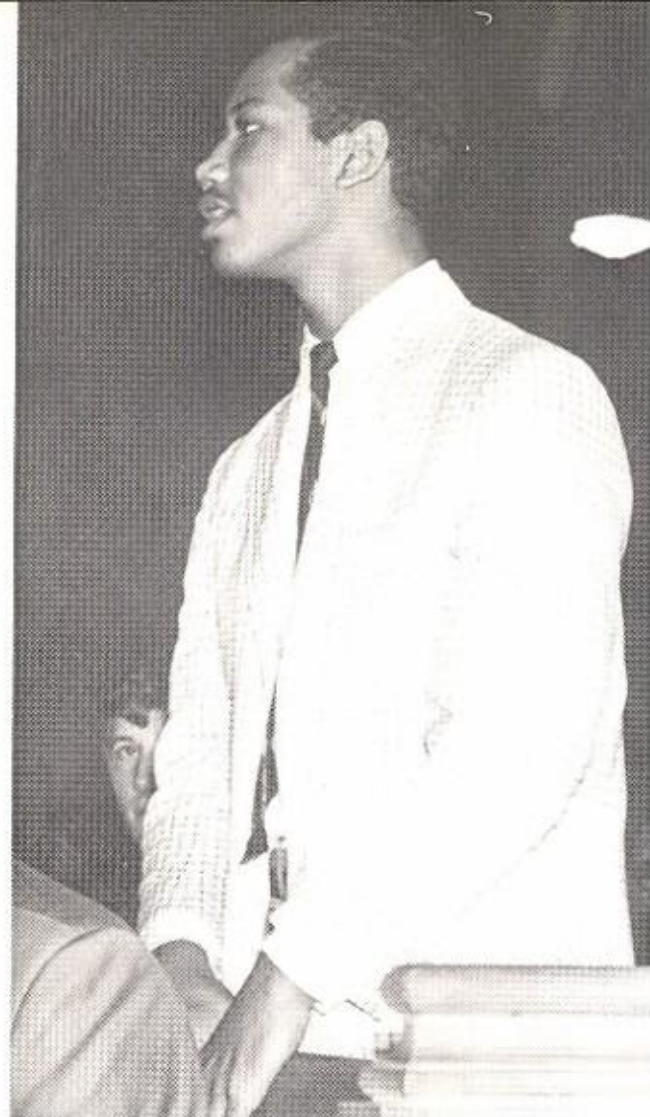

At Christmas the Wilbraham Glee Club joined with singers from Stoneleigh-Burnham School for Girls for a pair of concerts: the Christmas Vespers held at Wilbraham with a social hour following; and a Christmas Concert held at Stoneleigh-Burnham.

Programs included concerts with MacDuffie School for Girls, Northampton School for Girls, and a Spring Concert with Stoneleigh-Burnham School. One of the more challenging performances last March was as participants in the second annual preparatory school choral festival held at Dartmouth College.

PUBLIC SPEAKING

Mr. Clayton J. Steele, instructor of Public Speaking.

THE DEBATE CLUB this year, was not only proud of its popularity and success but also grateful for its two stimulating coaches, Mr. Garfield and Mr. Cooke.

This year the Club sponsored debates with other schools, intramural debates on current events, and panel discussions, as well as its annual Extemporaneous Speaking Contest and Invitational Tournament.

The Club had two new debaters, Robert Hughes and Stephen Reed, and two veterans, Bart Tyson (President) and Richard Lamb (Vice President) who made up the first string team.

Here at Wilbraham the Debate Club is best known for its intramural debates which are not only intellectual discussions but often (because of the controversial topics) are good examples of the real "acting" that makes up a good debater. The intramural debates this year were on such topics as "Resolved: This house supports George Wallace for President" or "Resolved: The United States should have aided Israel in the Six Day War."

We all enjoyed taking part in the Debate Club and reluctantly leave Mr. Garfield and Mr. Cooke to train future Wilbraham debaters.

The Student Project Association

The Student Project Association is an institution unique to Wilbraham. It was founded in the aftermath of World War II when a school in Berlin needed books and clothing to survive. This need was filled by Wilbraham students, and from these simple beginnings the Project has grown to considerable proportions, attracting nation-wide interest and support.

The program of the Project now has several facets. Each year students raise by personal solicitation a fund, now set at \$13,000. The campaign for monies this year climaxed during the first day of February. Each amount of \$60 entitles the student responsible for its solicitation to a share of stock in the Association, carrying with it the rights to vote for the officers and the program for which the money is to be spent.

Standing: Mr. John Kennedy (Adviser), James Prudden, Wayne Wexler, Robert McEvitt, Robert Bardwell.

Another area of emphasis is the tutoring program instituted with the Northern Educational Service. Under this program a large number of Wilbraham students go into Springfield each week to tutor children who need help in certain subjects. This work benefits both the tutee and the tutor. Last year NES was headed by Tom Pournaras and Scott Wilson. This year, under the able direction of Townsend Brown and Wayne Wexler, NES became an integral part of the work of the Association.

THE COLLOQUIUM:

Carl Nordstrom is a social scientist and Associate Professor of Economics at the Brooklyn College of the City University of New York.

“THE AMERICAN SECONDARY SCHOOL”

Dr. Edgar Z. Friedenberg is presently a Professor of Education and Sociology at the State University of New York at Buffalo. He is a renowned social scientist and an acclaimed writer who showed a unique ability to reach the young audience at the Colloquium.

A student panel discussion led by Mr. Goldman initiated the Colloquium.

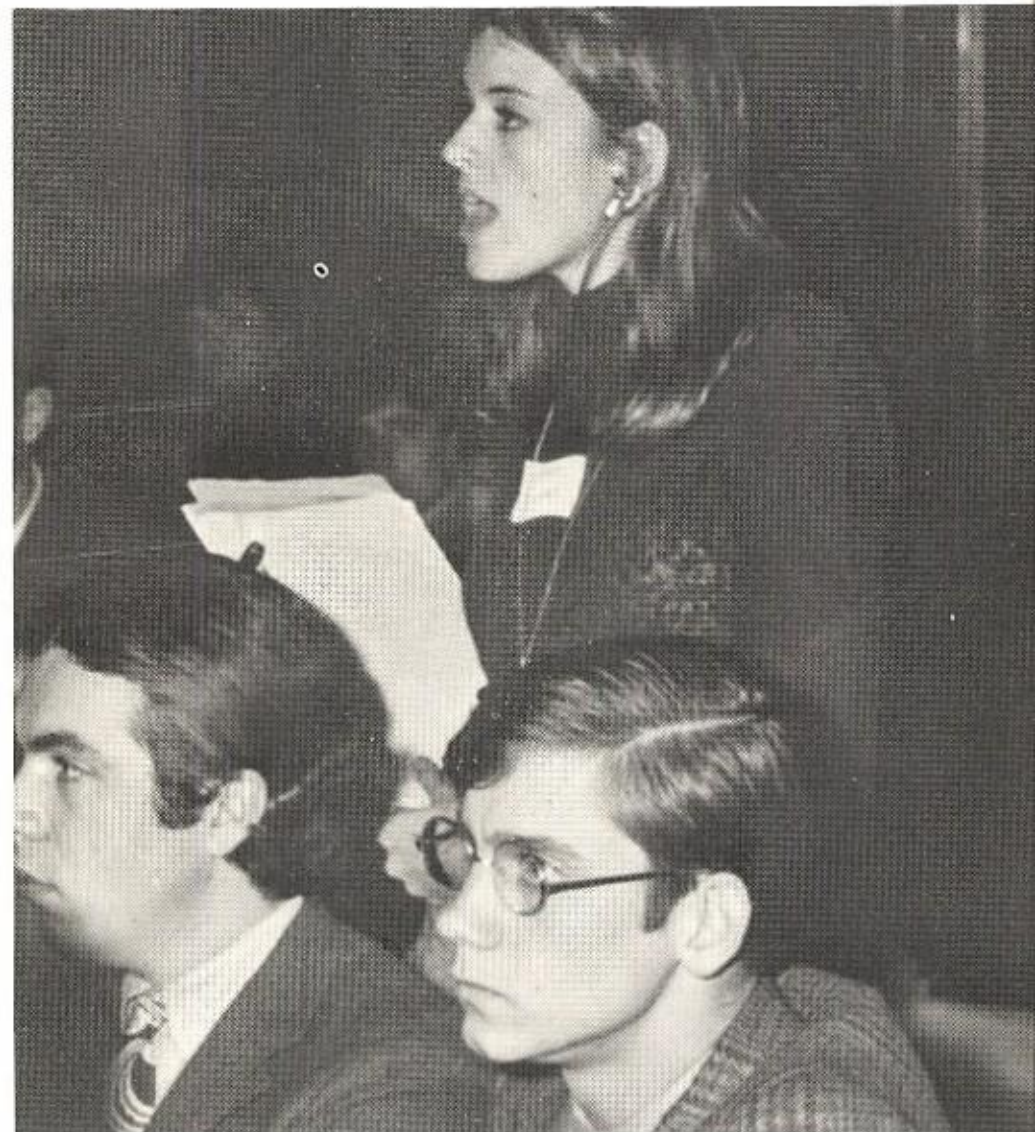

The 1968 Colloquium, sponsored by the Student Project Association, concerned itself with the American secondary school. Three major speakers, among the most widely researched and published experts on this field in education, attended to give us their insights into the problems confronting secondary education. A great amount of time and energy was devoted to the preparation of the Colloquium to insure its smooth running and, hopefully, its effectiveness. Since May of last year, Mr. John Kennedy, the faculty adviser, and two members of the senior board worked independently contacting speakers and devising new ways to bring the Wilbraham community into closer contact with the guests. More importantly, they worked on ways to bring us into closer contact with the problem of attempting the enormous task of rebuilding the secondary school system. To many, I'm sure, the Colloquium was a success. Its lasting success, however, will be measured by its effect on Wilbraham in succeeding years.

Guest faculty members at closing session of the Colloquium discuss "The Secondary School Environment: Creative or Restrictive?". From the foreground: Mr. Carl Nordstrom, Mr. Theodore Brameld, Dr. Edgar Friedenberg, Mr. John Deady, and Mr. Mattern.

Currently Professor of Educational Philosophy at Boston University, Theodore Brameld has developed his own theory of education, centered toward the goals of world democracy and peace.

Above: Friday's registration officially opens the Colloquium.

Ideas were exchanged and opinions debated

After a panel discussion some
guests express their feelings.

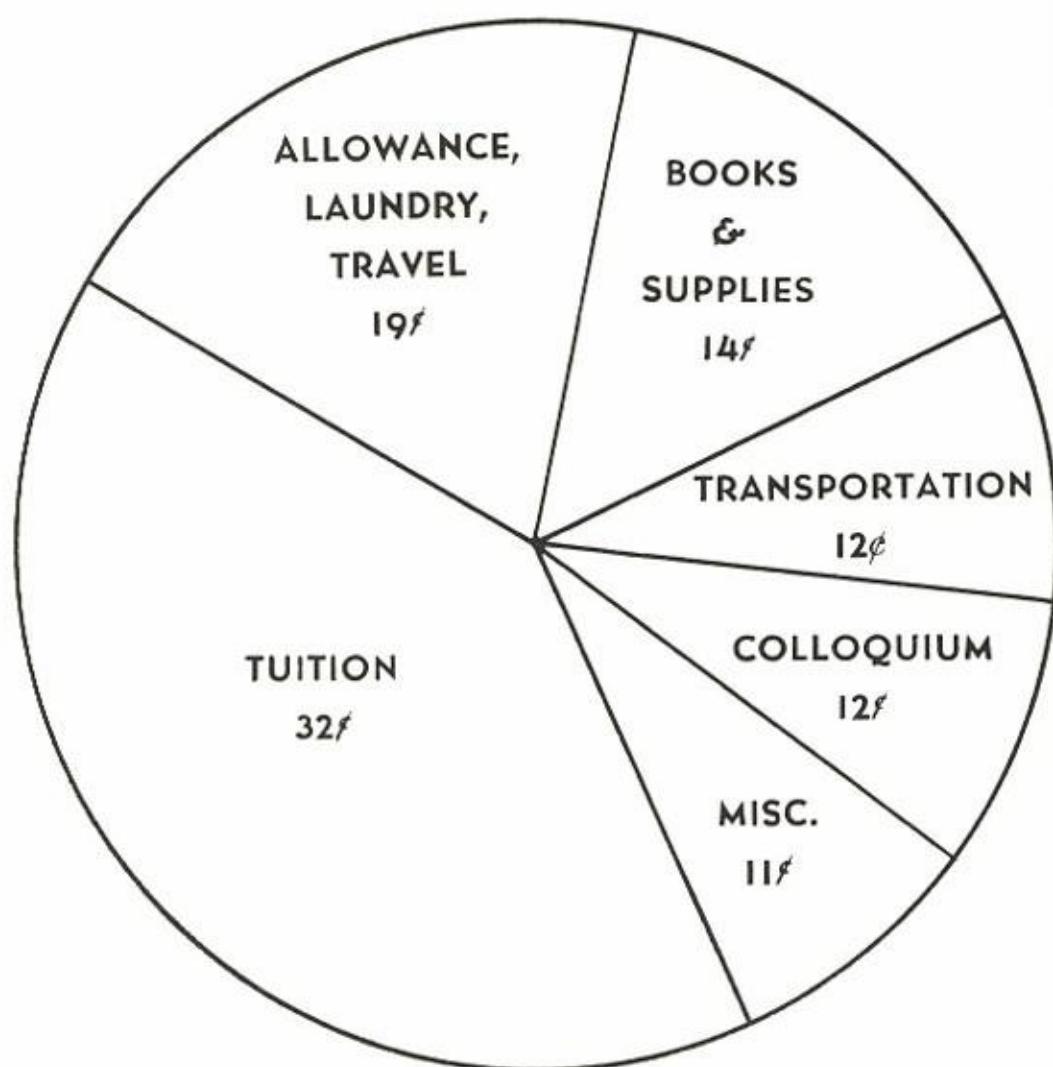

An important facet of the Association is the yearly selection of qualified boys from different parts of the United States and the world. These recipients of Student Project scholarships represent varied backgrounds and interests. They bring to the Academy a new point of view, a new influence. This year's Student Project boys were Larry Brannen, Goran Paulsson, and Reinaldo Lopez.

In 1956 the Association was awarded the George Washington Medal of the Freedom Foundation at Valley Forge as a conspicuous example of American democratic action. Among other notable achievements have been support of the Wilbraham Academy Berlin Freedom Fund, a revolving loan fund enabling refugee students from East Germany to study in West Berlin, and a major contribution to Operation Crossroads Africa.

The Student Project Association is the most worthwhile activity in which a student may become involved. What the student gains is equal to his contribution. If our efforts affect in some way the school, the country, the world; if our efforts help create an environment based more upon service for fellow human beings and the summary rewards, then we have succeeded, then we are pleased.

Plagued from the start,

THE DRAMATICS CLUB . . .

Plagued from the start by misfortune in the form of accidents, illness, and disappearing actors, the Wilbraham Dramatics Club did not have a particularly successful season. At this writing it had not staged its first production. Club members were confident, however, that the spring term would show more promise.

The editors thought it appropriate to quote here a portion of an article which Mr. Kelley, the Club's Director, wrote about his experiences (lost costumes, fallen scenery, blown fuses) at Wilbraham since 1956 when he first realized he would be directing secondary school students. This paragraph is taken from Mr. Kelley's article 'helen of troy has the measles — and other travails . . .' printed in the July 1968 edition of the Wilbraham Journal. He concluded that article: "I may have given the impression that we simply muddle through somehow. I should like to make the correction quickly, if I have. Many of

the casts with whom I have worked have been excellent. Their identity I must retain, but their accomplishments I shall always sing with pride! A senior recently asked me if, given the choice now, I should prefer to work among the mellowed or the young. I think that the generalization cannot be made, particularly in a world of instant depravity. I am convinced, however, that in the theatre, although they are limited in experience and savoir faire, young people are much less bound to bad habits of speech and behavior than adults are. Furthermore, they are more receptive to direction than adults are. Above all, although youth sometimes likes to take itself seriously, it prefers not to do it too soberly.

"And so do I."

FRESHMEN

The Class of '72 has already distinguished itself in a number of ways, both noteworthy and ludicrous.

The class was consistently represented on the Honor Roll by Mark Keroack, Jay Sullivan, Greg Merkel, Boz Lincoln and Jim Murphy. Scholastically, this was one of the better frosh classes.

In athletics, too, the class excelled. Woodie Clifton was the honored representative on the Varsity Football Team. Other freshmen, notably Rick Gantman, Steve Harvey, Greg O'Bannon and Rick Furcolo were instrumental in the reserve football team's 4-2 record. The freshman-dominated lightweight soccer team surpassed the others of recent years with its 4-3-1 count. Jim Murphy, Sak Eamegdool, Mark Keroack and Jay Sullivan were the team's driving power. George Russell, Reinaldo Lopez, Robert Kornfeld, and Tom Bochnak were all members of reserve Soccer, which, although an excellent team, met a sad fate at the hands of its opponents.

In that enjoyable jaunt, The Bunion Derby, the primarily Freshman Fourth Floor was the foremost of all dormitory units.

In Winter sports, freshmen predominated on the reserve basketball team: Jay Sullivan, Greg O'Bannon, Jim Murphy and Jeff Bills made the starting lineup. George Russell and Bob MacAdoo were notables on the swimming team. Freshmen were represented in wrestling on the varsity level by Ray Lopez, and on the JV Team by Woodie Clifton and Mike Buder. Freshmen on the hockey team were Biff Delany, Rick Gantman, Robert Kornfeld and Boz Lincoln.

Then there were the unauthorized winter athletics: the snowball fights in which the underclassmen took on the senior class. These went on for several nights, the front of Smith Hall emerging plastered with snow the following mornings. On one night there was a mass movement to storm the senior bridge, and freshmen were the first to reach it. But upon seeing seniors there, comfortably ensconced and showing no signs of wishing to step aside for a freshman crossing, the underclassmen decided that discretion was definitely the better part of valor, and ran for Rich Hall. (Some of them made it).

When indoors, this energy was channeled into zoos, some of which had interesting effects on the fourth floor tenants: one is

startled when one attempts to close the door and then remembers that it is somewhere at the bottom of the fire escape. Eventually, however, the zoos reached a point where they became a little too destructive and the administration took action. We should not go any further without mentioning the valiant efforts of monitors Scott Wilson, Andy Spear, Bill Pearce and Howard McGarity, and floormasters Mr. Manker and Mr. McCallum, to maintain the order of the floor together with their sanity.

The above has been the usual list of the unusual attributes of a freshman class. But perhaps "The" Class would most like to be remembered as the last freshmen to wear bowties, and instrumental in the elimination of this regulation. There were many complaints about this custom, as it did little good, but cost many freshmen varying amounts in detentions and expenses for bowties.

Perhaps this is what "The" Class was meant to do; to change constructively in what is a major transitional period at Wilbraham.

SOPHOMORES

The sound of a hissing fire extinguisher fills the hall. A harsh cry; then, quick thudding footsteps race down the corridor. The culprits? The Sophomores, well known for sports' ability and participation in school activities, notorious for their moments of chaos.

In filtrating all of the varsity and J.V. sports, the Sophomores have a fine outlook for the next two years. Dennis Jacque and Bill Low displayed their fine athletic abilities this fall on the varsity Football and Soccer fields. Kevin Rhodes was the Sophomore representative on the varsity Basketball Team. Bill Low was seen again with Bob Sills and John Hine on the varsity Wrestling mats. Mike McDougall had an outstanding season in Hockey and was the high scorer for the team. Mark Darlington and Dennis Jacque were noted for their swimming. Mark Milloff and Oliver Pratt on the varsity Rifle Team and Larry Willey on varsity Skiing completed the Sophomore lineup.

The Sophomores have pride in saying they were responsible for the ruling on optional breakfast, which change is decidedly pleasant for all underclassmen. Doug Hannah and Victor Shibley were responsible for this advancement. Efforts to improve the smoking rule and other ancient traditions of the Academy have been a few of the Sophomore interests. Changing life at Wilbraham for the better was their main goal.

Possibly due to their enthusiastic interest in extra-curricular activities, grades were sometimes an area of more than light concern. It should be noted, however, that John Hine, Mark Darlington, and Victor Shibley were exceptions and came through for the class, achieving fine academic standards.

From participation in the giant snowball fights to making early morning raids on other floors, the tenth grade class was well-rounded in the art of zooing. Veterans from last year's fourth floor Freshman Class contributed greatly in the organization and participation of these events.

Of course, everyone has a right to his own opinion. But, considering everything, the Sophomores are O.K.!

COMMUNITY COUNCIL

This year's Community Council started the year in early October with a meeting at which members of the council elected officers for the 1968-69 year. These officers are: President Dave Pinney, Vice President Dennis Marshall, Secretary Andy Paul, and Junior Vice President Doug Willey. At the same meeting, the council members introduced topics which they thought should be discussed during the school year. Of these, the most significant was the subject of the spring term of a student's senior year.

The council generally believed that a student's senior year should be his most meaningful at Wilbraham, and consequently, he should engage in a form of work or study that is of greater interest to him than the course study he is offered during his first three years. This more independent form of

study could be a practical substitute for a senior's spring term classes, although classes would still be offered to seniors during the last term of their last year at Wilbraham.

If the Community Council continues this year with discussions of such items as the seniors in the spring term, it will have a productive year. Unfortunately, due to other commitments that the members of the council had, the organization was unable to meet between Thanksgiving and Christmas vacations. But during the month of January the council once again resumed its duties. For the remainder of the year the Community Council met with one thing in mind: to find a way of improving a student's educational and social experiences at Wilbraham.

THE WINTER CARNIVAL

ATHLETICS

From scenes like these,
victory's grandeur springs.

Robert Burns

A WINNING SEASON IN FOOTBALL

This fall many events brought new life into Wilbraham's community. Not the least impressive was the Varsity Football Team, which experienced its first winning season in ten years. Coming back two days early in September, the team immediately began showing the grim determination that was to carry it through the many rough spots of the season. The team's 4-3 record should stand as a warning to all teams that Wilbraham Football is on the rise in the future.

This year's offense was blessed with as powerful a backfield as has been seen in many a year. Quarterback Ford Dabney deftly used the powerful running of Co-captain Vaughan Mason, Ricky Clifton, and Steve Stratos whenever the Coachmen needed yardage. Receivers Henry Downey, Brian Marsden, and Dennis Jacque could be depended on to catch the important pass when needed. The offensive line, composed primarily of underclassmen, was moulded into a tight unit with the training of coaches Cramer and Matteo and the experience of Co-captain Edward Dunn. The defense, led by Dunn, Stratos and Mason, composed a well-working group which gave the offense the ball when the team needed points.

Looking back, the football team overcame many difficulties in having the fine season it did. In the opening game, Loomis capitalized on Coachmen mistakes to win 16-42. Brian Marsden and Steve Stratos gave Wilbraham their only scores.

Stratos then scored twice in beating Cushing 13-0. The Coachmen were again crippled by mistakes in losing to a strong Taft team 12-51. Both Coachmen touchdowns were scored by Steve Stratos, who in each game seemed to be a little better.

First row: Ford Dabney, Bert Paull, Todd Gensin, Brian Marsden, Bill Goodrich, Ben Wilson, Ed Dunn (Co-captain), Steve Stratos, Richard Booker, Bill Pearce, Lee VanDamm, Joel Samick, Paul Lindahl (Manager); **second row:** Scott Winter (Manager), Marc Gantmann, Jeff Rodbell, Larry Levine, Gary Grelak, Ned Owens, Joe Stone, Rick Clifton, Mark Buckley,

The high point of the season came after beating Cranwell 30-12 in front of a rain-soaked Parents Day crowd. The Coachmen faced an unbeaten and untied Lenox team. The Coachmen, however, flashed a vicious defense, highlighted by the play of Ed Dunn, Marc Gantman, Gary Grelak, and Henry Downey, in holding to just 8 points. The offense, equally brilliant, featured Stratos scoring three touchdowns behind an excellent offensive line.

After a heart-breaking loss to Williston 8-24, the Coachmen crushed arch rival Suffield 47-14.

Fine team spirit, ending the season by beating Suffield, winning four games and losing only three, all adds up to a fine season.

SOCCER 69

VARSITY

Although the record of Wilbraham's soccer team this year would seem to show a lack of strength, this was not at all true. The team's ability to come back and play a better second half exemplified its dominating spirit.

This year, as in the past, Mr. Shaw worked the Coachmen into a fast-playing ball club. With the help of a new assistant coach, Mr. Fleck, hustling was never a problem. It is agreed by all who knew soccer at Wilbraham this season that the team played as one body, spurred on by Co-captains Terry Low and Andy Malcolm.

Customarily we met Cushing to open the season, and with a victory of 2-0 we looked forward to a successful year. The team went along with some wins and some losses; then came Deerfield. The game was a hard-fought battle of skills. In the second overtime, Deerfield squeezed in a very skimpy goal. Unable to even off this unfortunate event, the Coachmen were left with a loss of 1-0, but a win in the minds of all who took part in the battle.

Wilbraham	2	Kingswood	2
Wilbraham	2	Suffield	2

The Suffield game was traditionally played at the end of the season. Our second half ability was shown in this game. The Coachmen were down 2-0 and came from behind to tie 2-2. It's been a long time since Wilbraham has beaten Suffield, but after this season's show they had better start working for next year.

Under the direction of Mr. Leaning and Mr. Chesnoy, this year's J.V. looked forward to a winning season. The team, however, never met with the success their potential had predicted.

Robbed of a win in the opener against Winchendon, they had to settle for a 4-4 tie. The strong scoring combination of Co-captains Mark Darlington and Kelvin Tyler took revenge as they demolished Loomis and Monson. After shooting 14 goals in the first three games, however, the J.V. scored only 7 in the last eight games.

On Founders Day, with the help of Co-captain and goalkeeper Dennis Carrigan and halfback John Perry, they outlasted Monson 2-1 in pouring rain.

Pomfret was the biggest heartbreaker yet; Mark Darlington's goal in the first ten seconds put Wilbraham ahead until the end when Pomfret scored twice in rapid succession.

After a record of 4 wins, 6 losses, 1 tie, Mr. Leaning is looking ahead to a better season next fall.

CROSS COUNTRY

Front row: Frank Riley, Goran Paulsson, Robert Bardwell, David Pinney, Lester French, Dana Taplin.
Back row: Mr. Kennedy, Paul Reynolds, Jonathan Farmer, Stanley Rosenblum, Keith Merrill, Robert McEvitt, Stephen Moore.

Sparked by the fine running of Bob Bardwell, '70, the Academy's first cross-country team for many years finished the season with a record of five wins and two losses.

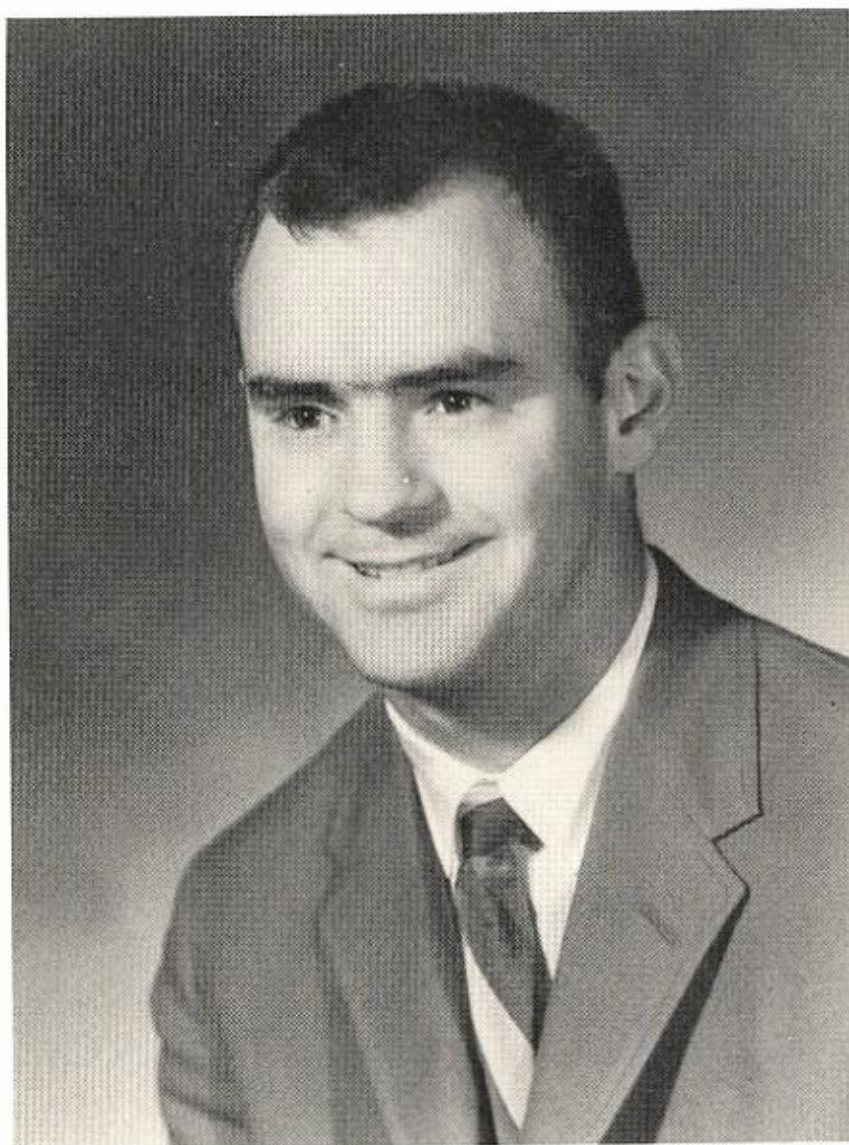

Coached by Mr. Kennedy, the team worked hard, showed enthusiasm even for the grueling practices for this sport, and quickly gained the experience they had lacked. Supporting Bardwell were Senior Harriers Captain Dave Pinney, Paul Reynolds, Dana Taplin, and Keith Merrill. Lester French and Jon Farmer performed well also and, with Bardwell, will form the nucleus of a strong team for next year.

PHYSICAL EDUCATION

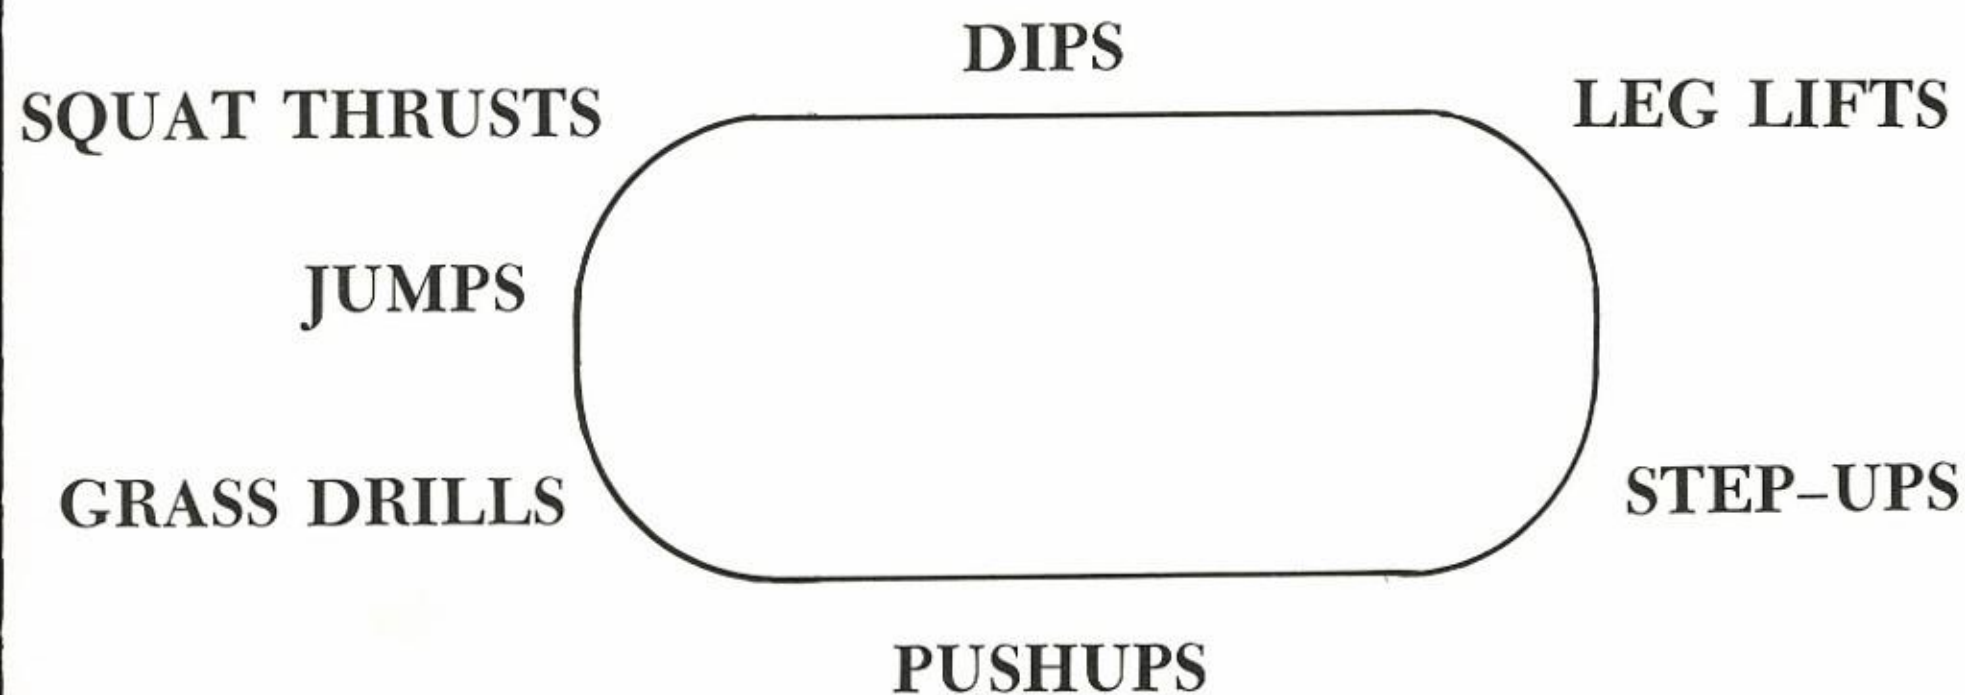

"Phys Ed" and "Circuits" became common campus terms this year. Physical Education was instituted into the athletic curriculum to provide an organized means of physical activity for students who, for whatever reasons, felt unable or unwilling to participate in competitive sport. Under the direction of Mr. Fiedler students took part in a broad range of games and sports on an informal basis.

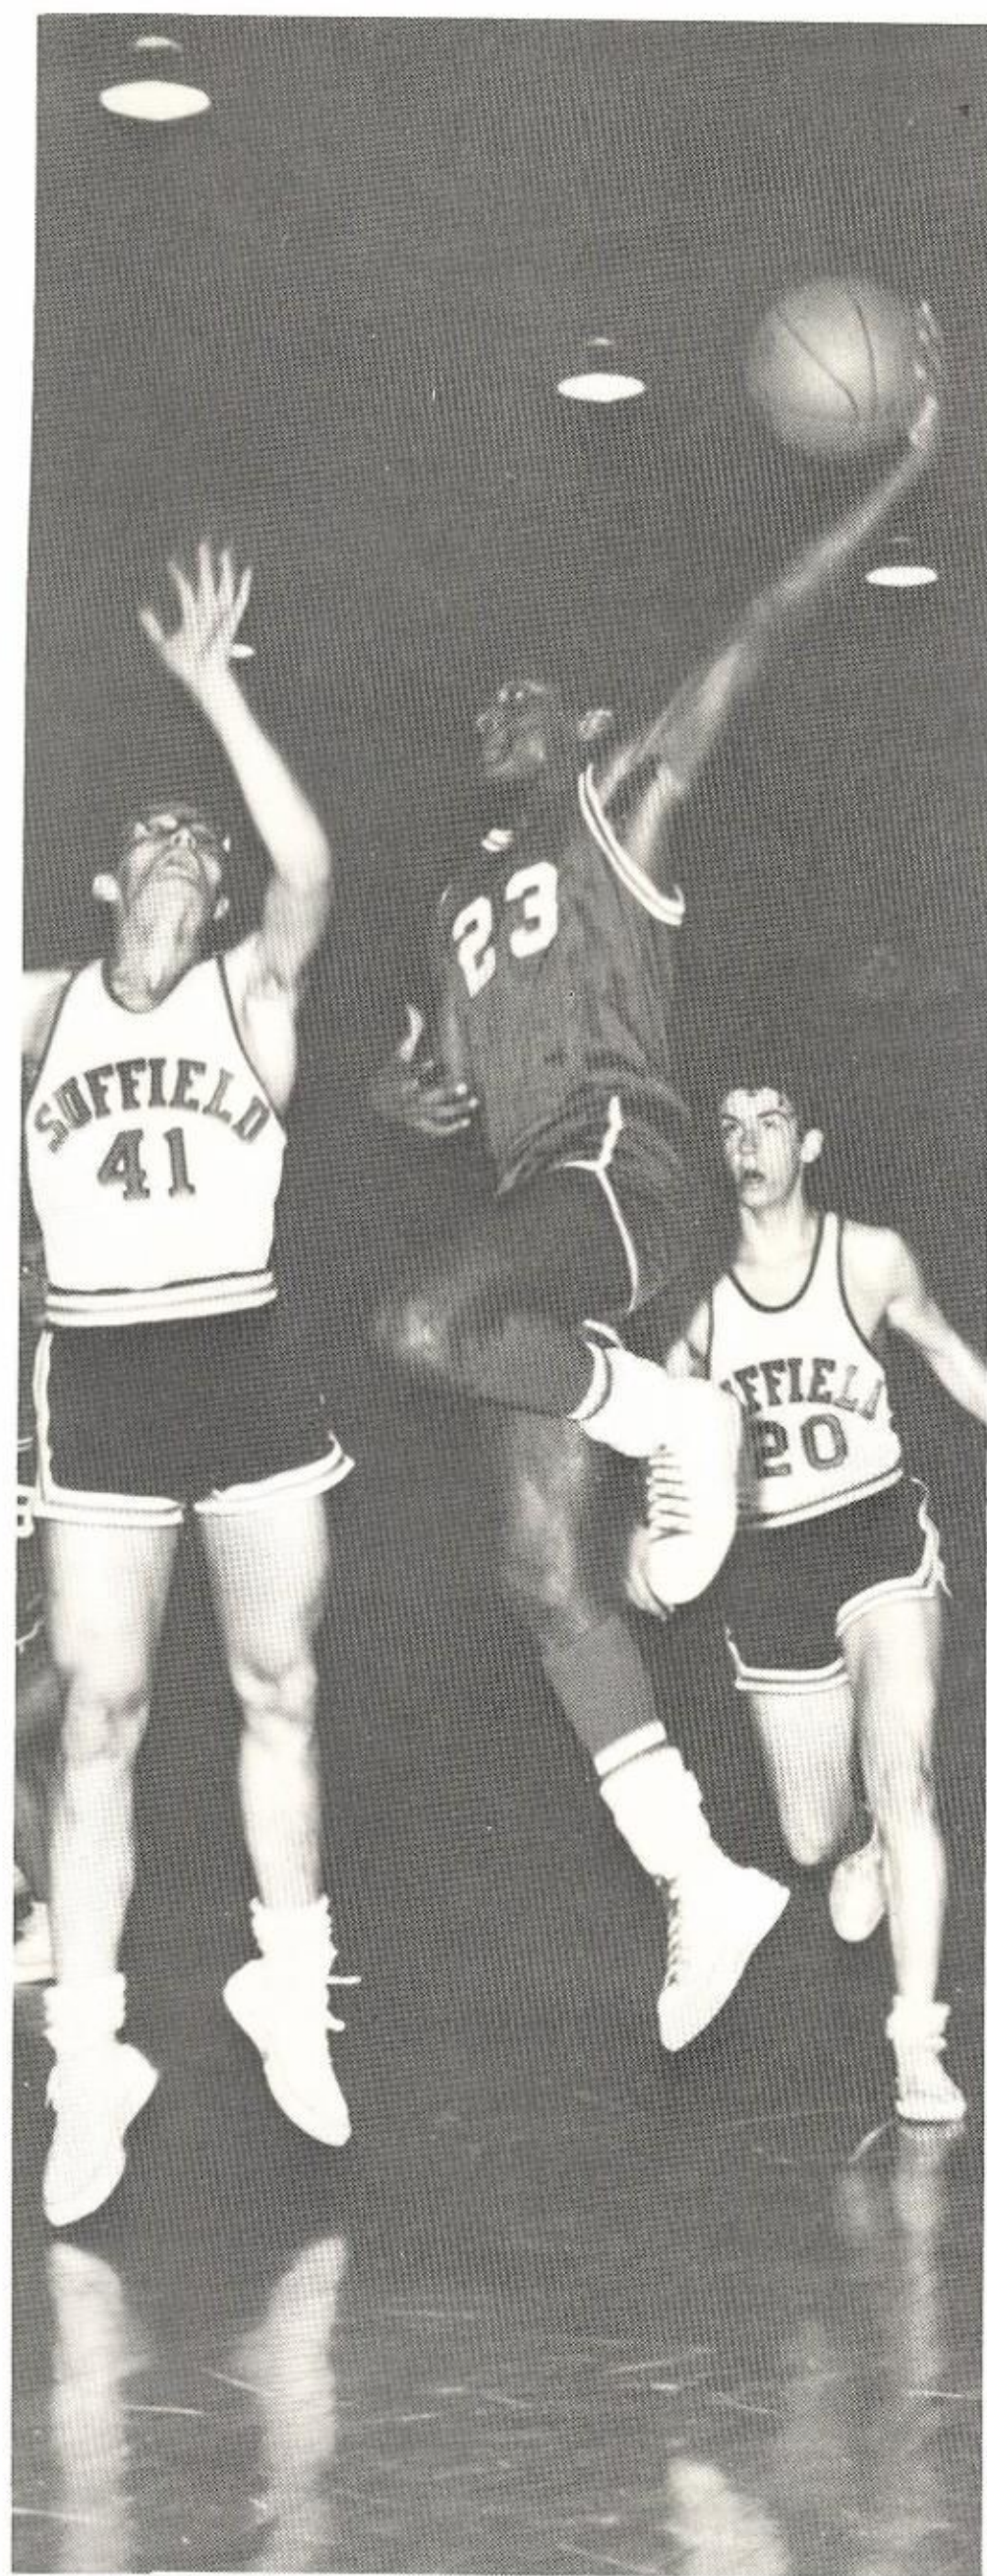

Those students who thought that Phys Ed would be "organized Hack Track" felt differently after undergoing Mr. Fiedler's Circuits Program. The series of seven exercises run at one's maximum speed in competition with oneself left most students wishing they were playing varsity football. It was the consensus, however, that this program provided the best physical conditioning for everyone.

Mr. James Fiedler, Director of Physical Education, Director of Community Service, Coach.

Front row: Kevin Rhodes, Steven Stratos, Ford Dabney, Dennis Marshall, David Castleman, Roger Wallace. Back row: Norman Landerman, Manager, Benjamin Wilson, Richard Meehan, Brian Marsden, Gary St. Jean, Stephen McDowell, Neil Harrington, Mr. Shepperd.

This year's varsity Basketball Team was not only the school's best ever but also one of the finest in New England. The list of people who deserve credit is endless. Mr. Shepperd and Mr. Eckenroth certainly deserve commendation, for their fine organization and coaching was the basis for a successful season.

It is impossible to single out one outstanding player. All of the first five were incredible. Captain Dennis Marshall was outstanding with his flawless shooting and all-around play. Newcomers Gary St. Jean, Steve Stratos and Rich Meehan displayed their fine talents throughout the year. Whenever one had an off day, one of the others could be counted on to provide the extra spark. An example of this was Steve Stratos' 17 point third quarter at

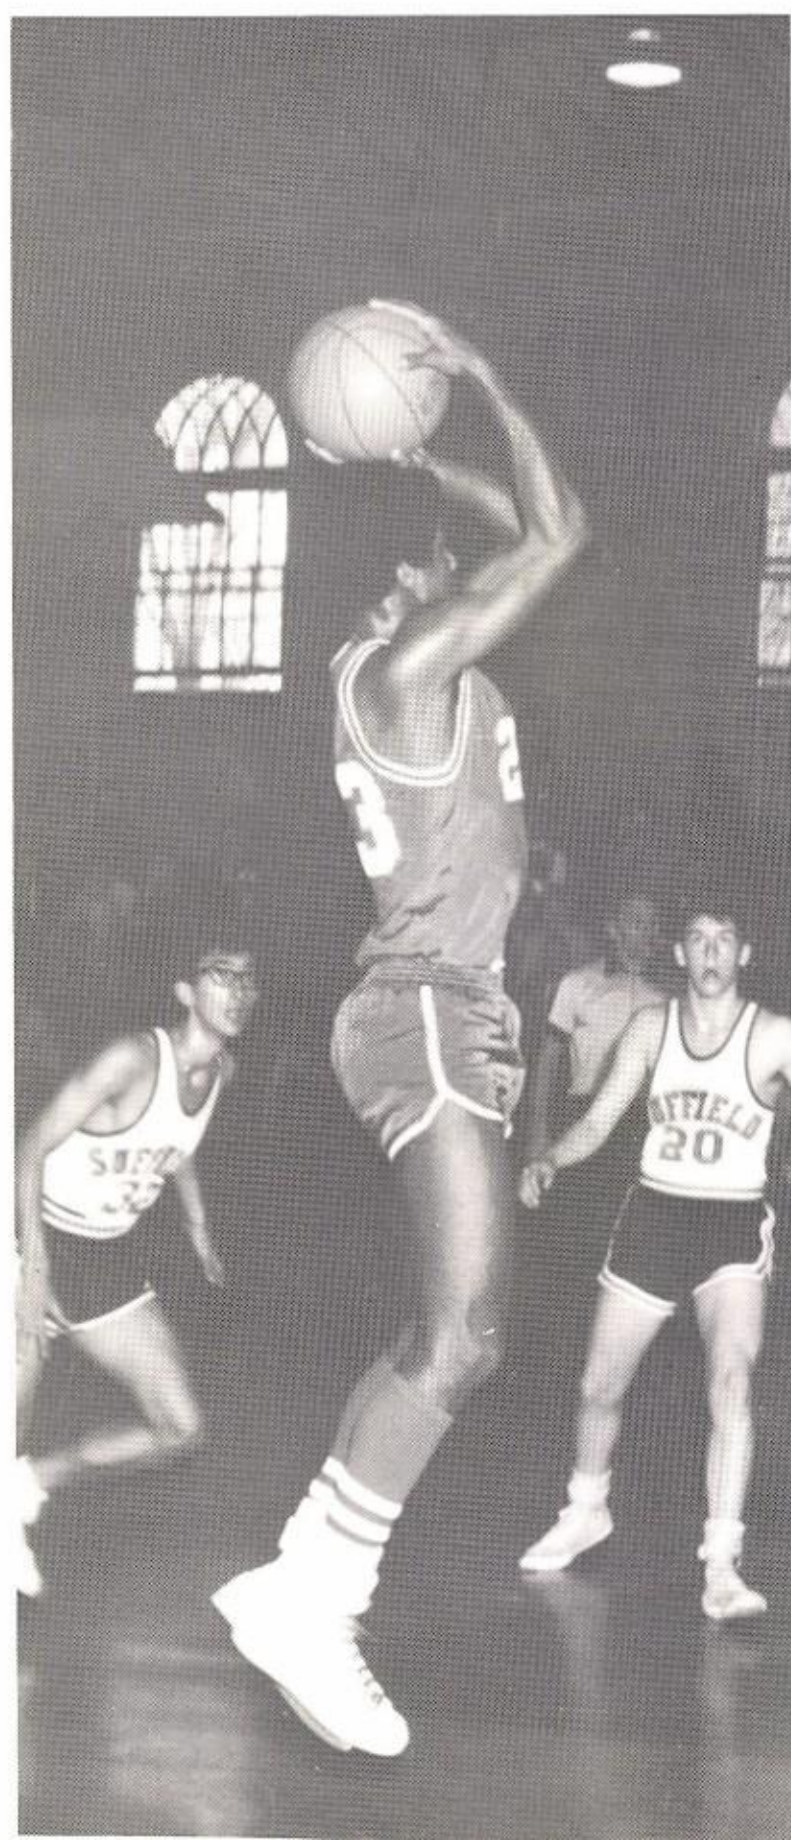

Suffield when he turned a close game into a rout. Ford Dabney's play-making and constant hustle kept opposing teams on the alert all season.

The depth of this year's team was a key to many of the season's resounding victories. When the first five became tired, Mr. Shepperd had a strong bench squad able to take the court.

At this writing, the Coachmen hold an undefeated record. Overcoming tough competition the team brought home the Kingswood Tournament championship over Christmas vacation. Victories in the remaining games with strong teams from Choate, Assumption, and Westminster would bring the team a berth in the New England Prep School Tournament.

Front row: Joseph Martocci, Theodore Schlette, Paul Finn, Laurence Zabar, Richard Hirsch, Mark Cohen, Scott Lamb. Back row: Mr. Fiedler, Douglas Jones, Kenneth Roberts, Charles O'Bryan, Ralph Carman, Daniel Fish, Richard Lamb, Manager.

This year's J.V. Basketball Team had a somewhat disappointing season but managed to retain its great hustle and spirit. A host of new boys, led by returning lettermen Ken Roberts and Doug Jones, formed the team which decisively defeated Watkinson, its first opponent. The team then met with a long string of bad luck — and losses.

Bright spots in the season were the scoring of Ken Roberts and Paul Finn, plus the strong

rebounding of Dan Fish and Ralph Carman. Others contributing hustle and spirit were Scott Lamb, Rich Hirsch, Larry Zabar, and Ted Schlette. Much credit must be given to Coach Fiedler who did a fine job developing the potential of many of the young players who will be returning next year. With these bright prospects, Wilbraham basketball can look forward to winning seasons.

VARSITY

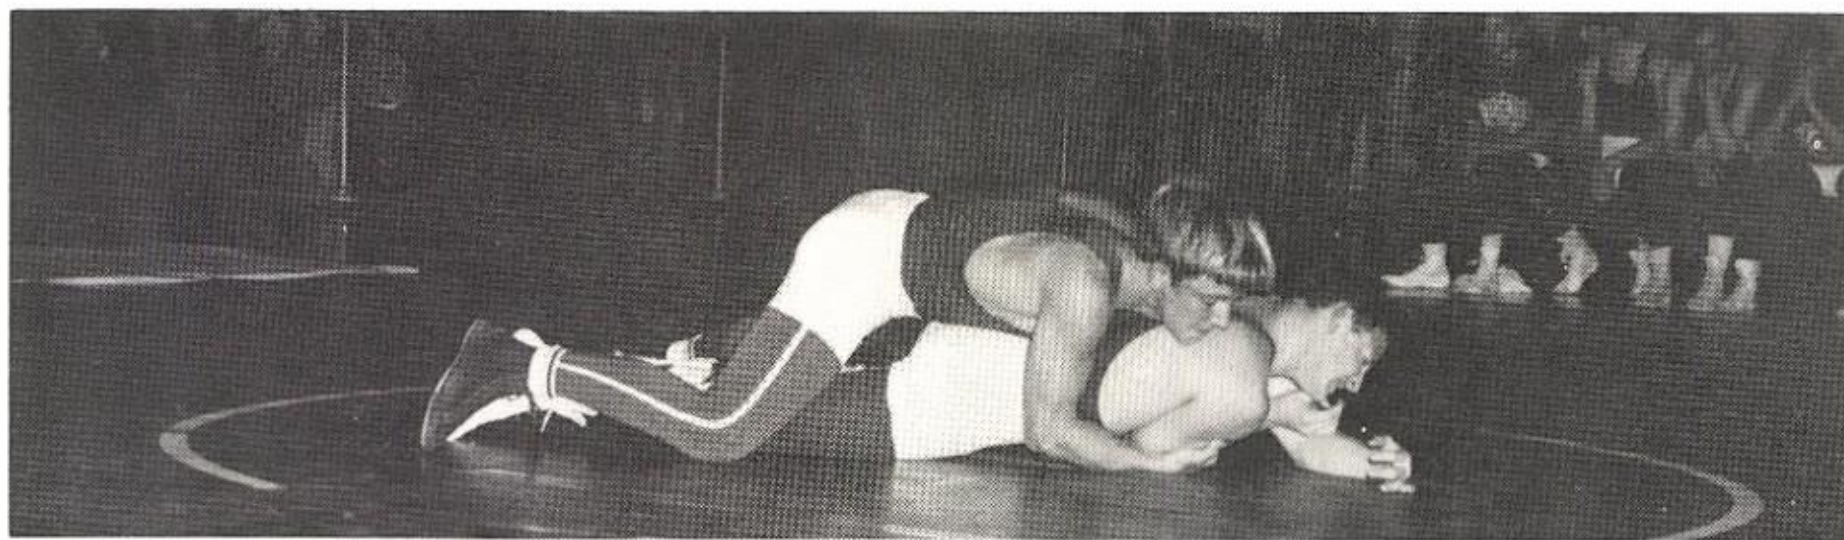

Front row: Clark Hine, Louis Siegel, Reinaldo Lopez, John Hine, Craig Cannon, Richard Forshay, Robert Rasmussen, Manager. Back row: Martin Eramo, Marc Gantman, Frank Reese, Edward Owens, Richard Clifton, Edward Dunn, Mr. Burger.

This year's varsity Wrestling Team was probably one of the strongest in years. With returning lettermen Ned Owens, Marc Gantman, Martin Eramo, Gary Grelak, Rick Forshay, and Captain Craig Cannon, Coach Burger had an experienced base on which to build a team. With the addition of talented newcomers Clark and John Hine, Rick Clifton, Frank Reese, Ed Dunn, and freshman Reinaldo Lopez, the Coachmen were assured of a successful season.

Beginning with a triangular meet at home, the Coachmen dealt defeats to Cushing, Monson, and Webster Academy. After Christmas the Burgermen were stunned by a powerful Suffield team which defeated them 35-8. Winning efforts by Craig Cannon and Clark Hine were the only bright spots of the otherwise dismal day. Throughout the season wrestlers Gantman, Owens, Reese, Eramo, Rick Clifton, and Lopez were steady competitors, gaining many impressive wins.

Barring unforeseen events, the varsity Wrestling Team will lose just three wrestlers next year, so the matmen are looking forward to another successful season.

Center row: Mr. Gibson, Paul Reynolds, Dennis Jacque, Mark Darlington, Kent Ameden, Douglas Edmunds, Stephen Gray, Stephen Pollack, Robert McEvitt. Back row: Robert McAdoo, Carter Gowrie, Jonathan Sargent, James Prudden, George Russell, Timothy Gay, Frank Riley.

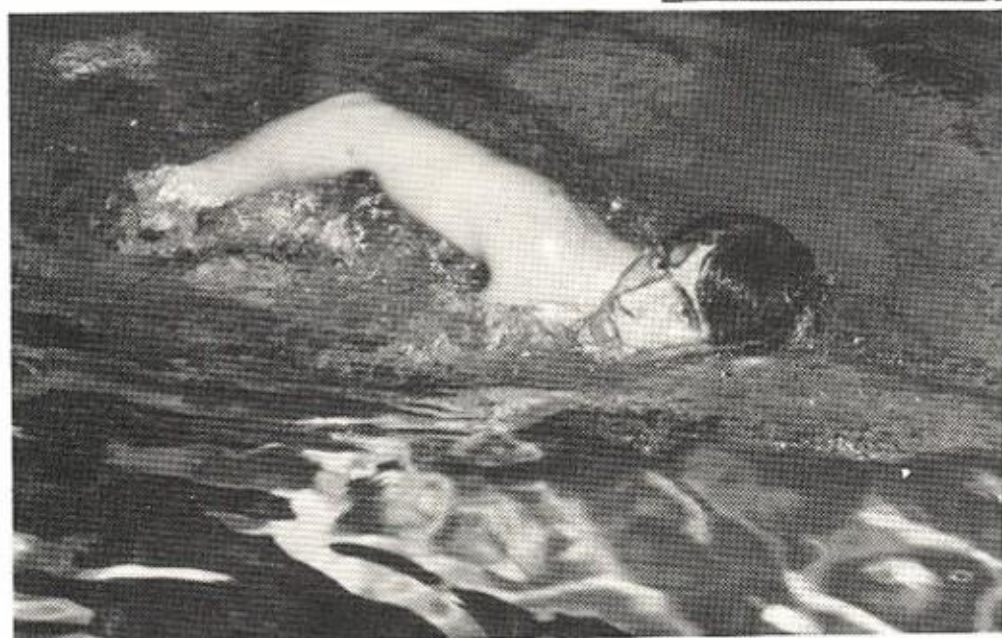

The Varsity Swimming Team has been notorious in past years for losing important meets by one point. After losing to Avon Old Farms in the last relay, the team traveled to Hartford and trounced the Trinity College Freshmen, 64-31. The Coachmen, sparked by this amazing victory, produced best times at the Mount Hermon meet the following week. Though losing by a score of 57-38, Coach Gibson was very pleased with the performance of the team. Other meets of the year included Worcester Academy, Cheshire Academy, Westminster School, Moses Brown School, Deerfield Academy J.V., and the all-time rival, Suffield Academy.

Mr. Gibson, along with his assistant Mr. Cooke, was a tremendous inspiration to the team; and since he took over the job as coach, he has produced solid swimmers. The 1969 team was led by Co-captains Bruce Canade and Carter Gowrie, flanked by Seniors Paul Reynolds, Kent Ameden, Steve Pollack, Doug Edmunds, and Bob Gagnon.

As the practices become harder each year, the teams become better. If this trend continues, the future of Wilbraham Swimming looks very promising. Losing by one point will become a thing of the past.

HOCKEY

This year the Varsity Hockey Team bore the heavy burden of following the 5-0-1 record of last year's team. But one important difference must not be overlooked: in contrast with the 1968 squad, this year's team played only varsity-level opponents of schools whose hockey facilities and team membership greatly exceed Wilbraham's.

With these problems in mind and only three days of preparation behind them, the Coachmen met a strong Amherst Freshmen team and suffered a disappointing 11-0 defeat. The team's desire was high, but they were unable to match the experience of their victors. After losing to Pomfret and Mt. Hermon, the team traveled to Cranwell where they outplayed the home team to a 4-3 win. Bill Godek and Mike McDougall shared two goals apiece for the team's first win of the season. This gratifying win may be attributed also to the outstanding performances of co-captains Bob Uguccione and Bill Pearce as well as Bob Bardwell, Henry Downey, Pat McGrath, John Mutrie, and the three year man in the nets, Keith Merrill.

With a win on their record, the Coachmen were determined to keep up the superior reputation of last year's team. Taking advantage of their daily two-hour practices and the excellent coaching of Mr. Clarke and Mr. Kennedy, the team set out to make a promising future for hockey at Wilbraham.

SKIING

The varsity Ski Team, under the coaching of Mr. Williams, started the season with many hard afternoons on the slopes. They began competition with some unfortunate problems, such as false starts and loose bindings. In tri-meet competition, however, they made a good showing, as they did later at important dual meets.

The team was led by Captain Bob Tourville and the Willey brothers, Doug and Larry, who

could be counted on in tight spots. Also contributing many points were Seniors Paul Potters, Jay Quinn, and Dave Wender, while Chris Scranton, Ralph Keeney, and Jeff Zeman rounded out the squad.

Although four members graduated this year, future teams will have a solid nucleus to build on, and with Mr. Williams' rigorous training they should have great success.

The Rifle Team, coached by Mr. Penalver and Mr. Economou, had a slow start, winning only two of its first four matches. Co-captains Dan Curtiss and Rob Longo formed the nucleus of the team which was strengthened by John Pav, Steve Walker, and Paul Nizenski. Underclassmen Oliver Pratt, Mark Milloff, and Doug Harwood helped round out the squad.

For those unfamiliar with the requirements of a good marksman, the basic traits include concentration, accuracy, steady nerves, and good

eyesight. The need for the last trait was illustrated when Rob Longo missed a week of practice because he needed glasses.

One of the bright spots of the season was the marksmen's decisive triumph over Monson Academy. Every member of the Wilbraham team turned in an excellent score. Next year's team will be able to build on the nucleus of returning lettermen, and it can look forward to a winning season.

At the beginning of the season, hopes were high that the track team would go undefeated. In the first meet the Coachmen demolished Avon, but they then ran into some stiff competition. In two of the meets, victory was within reach until the last events. The team lacked depth in a lot of events. The distance runners, led by Bob Bardwell, sparkled in most of the meets. They held Suffield to only four points, while they gathered 32 for the team.

The Suffield-Williston tri-meet was typical; we ended up in third place, although Bardwell set the mile record at 4:32.2 (He had also set the two mile record the previous meet at Cranwell with a time of 10:32.) Jim Kinnane was named the most valuable runner as he captured three first places. Wilbraham took seven firsts but lost the meet due to lack of depth.

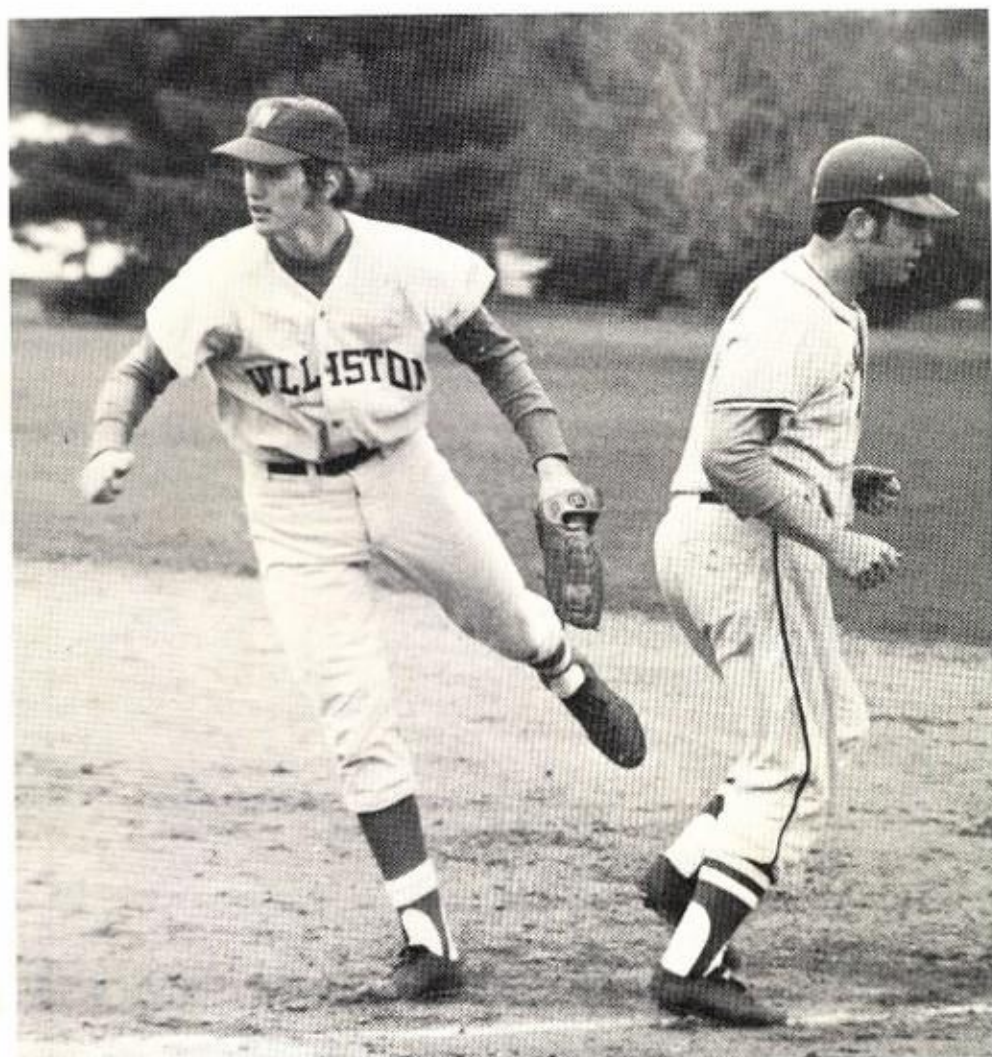

Looking ahead to next season, we can consider a strong team with the return of consistent point winners such as Dick Hirsch, Jon Sargent, Don Holway, Dean Jvey, Andre Woodson, Bill Davis, Ed Cope, and Scott Clement. We can also count on others who were unable to compete because of injuries or other reasons.

VARSITY BASEBALL

First Row: James Murphy, Larry Zabar, Greg O'Bannon, Harry Wilson, Seth Roberts, Bob Carroll, Doug Jones, Biff Delany. Second Row: Mr. Sheppard, Happy Hartdegen, Barry Morgan, Blake Keedy, Ralph Carman, Robert Handel, Greg Gunter, Mr. Goodband.

After a slow and somewhat disappointing start, the varsity baseball team picked up a fast pace which carried them to a respectable 8-5 record. Led by the hitting of Blake Keedy, Dennis Jacque, and captain Barry Morgan, the team reeled off five straight victories. Much of the credit here should go to the pitching of starter Jacque and reliever Keedy.

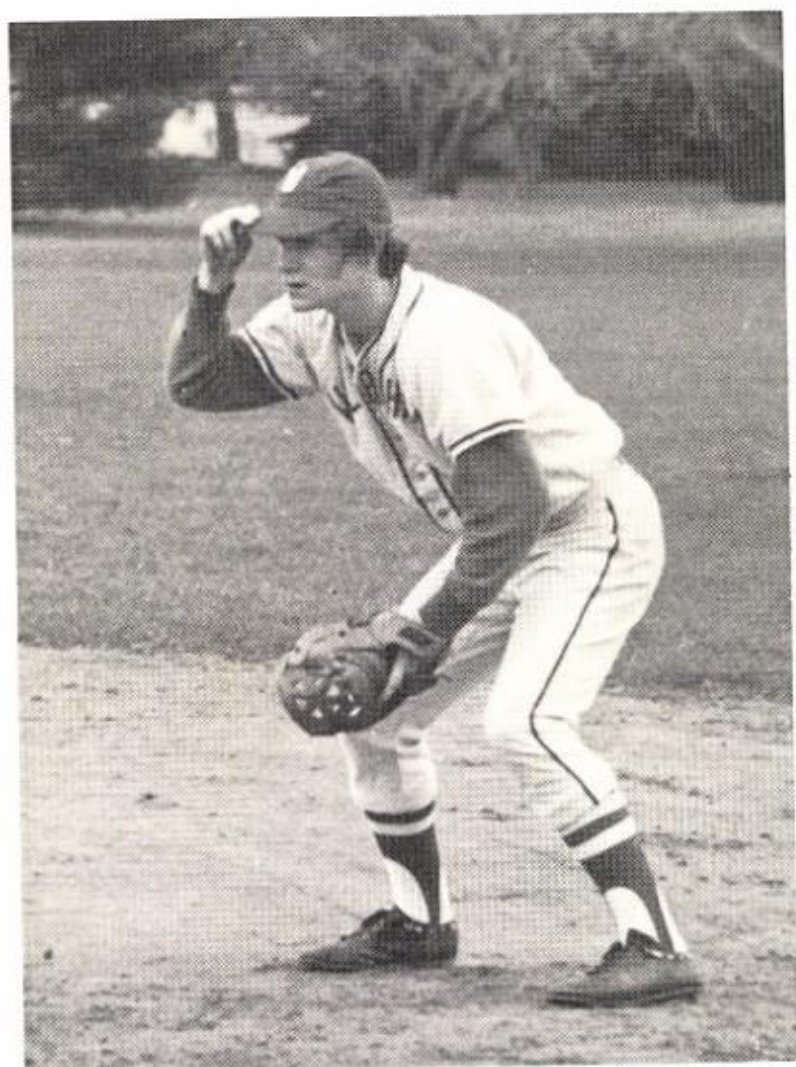

Against arch rival Suffield, Jacque had his best performance of the year, allowing no runs and only three hits. Keedy, the starting third baseman, was also an effective reliever as his 3-1 record shows. His one start was in the final game of the season against Lenox. He allowed two first inning runs, pitched 6 scoreless innings and hit a grand slam home run, so that we won 4-2. Barry Morgan's leadership was instrumental in enabling the team to come from behind in several games.

The future seems bright as Bob Handel, Jim Murphy, and Harry Wilson, all underclassmen, made up the infield and Greg O'Bannon and Alan Welch, also underclassmen, started in the outfield.

VARSITY TENNIS

This year was considered a building year by the varsity coach, Mr. Lincoln. With only one senior on the team, Co-captain Mark Cohen; two juniors, Dan Ruben and Howard Sohn; two sophomores, Co-captain Mark Rattan; and Steve Harvey; and three freshmen, Jeff Ubersax, Ralph Sinsheimer, and Jim Downey, the tennis team's future looks very good.

Having no returning lettermen, the season started poorly, with four defeats. Rattan played well but had a tough job handling many fine number one players from other schools. He and Ruben played first doubles and strengthened as they gained experience playing with each other. Cohen and Sohn, playing together for the second year, proved to be a strong second team. The Frosh Ubersax and Downey gained much valuable playing experience by playing fifth and sixth singles and third doubles.

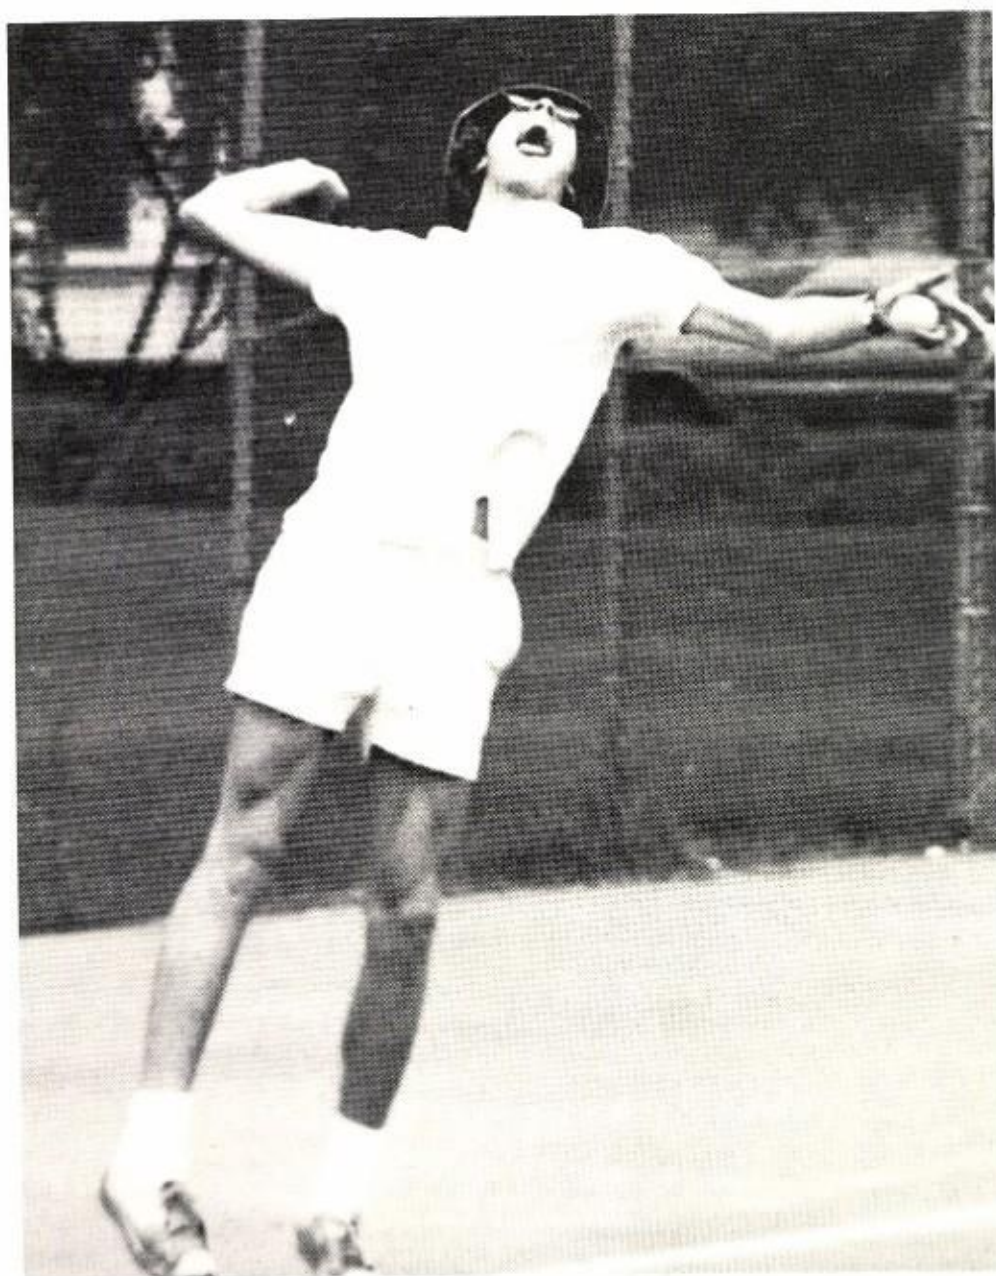

The losing streak was broken by an 11-7 win over Assumption. The team then lost three straight, including a loss to Loomis for the 34th year in a row. The team bounced back with victories over Monson and Pomfret, a defeat to a strong Suffield team, and a tie with Lenox closed the season.

With six returning lettermen next year, the varsity tennis team should prove to be formidable for most schools.

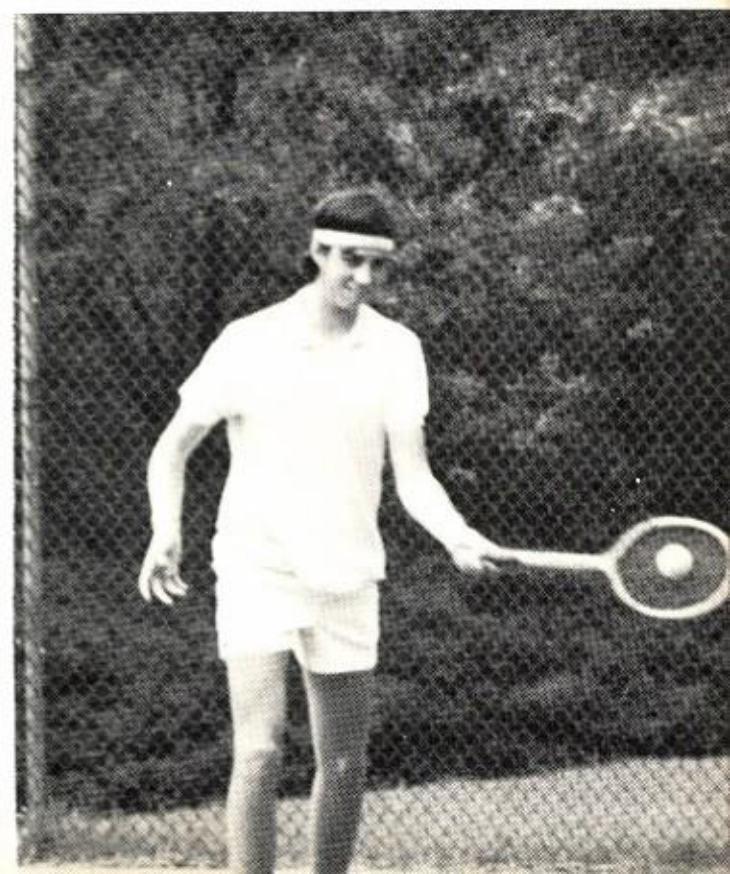

First row: Jeff Ubersax, Mark Rattan, Mark Cohen, Howard Sohn, Mr. Lincoln. Second row; Ollie Pratt, Dan Ruben, Ralph Sinsheimer, Steve Harvey, James Downey.

LACROSSE

This year could have been considered a building year for the lacrosse team. Since it was only the second year that Wilbraham has had a lacrosse team, there were not many experienced players, so that it had to depend more on conditioning than on stickwork to win games.

In spite of its shortcomings, the team played well in many games. Take, for example, Winchendon, a very strong opponent. In the beginning of the game, we matched them practically goal for goal. However, their greater experience and superior depth eventually overwhelmed us. Then, there were also some disappointing games, such as the one against Monson, in which we just couldn't seem to put anything together.

The future for lacrosse at Wilbraham looks bright. The majority of this year's players were sophomores and juniors. An almost even record (four wins, six losses) shows that they are gaining the experience and skills needed to win games. Within the next few years, Wilbraham can expect to see its lacrosse teams win more games and have respectable seasons.

First Row: Toby Widdicombe, Dick Edgehill, Mike Doyle, Tom McMahon (Captain), Mort Fabricant, Lionel Garcia Sued, Louis Siegel. *Second Row:* Carl Sigsbee, Bill Gage, Eric Rice, Mike McDougall, Mark Tannin, Vic Shibley, Mark Gantman. *Third Row:* Mr. Matteo, Nick Spyreas, Brad Ekins, Beto Gage, Rick Gantman, John Davis, Jim Nelson, Mike Boyd, Paul Heller, Mr. Cooke. *Fourth Row:* Paul Burt, Scott Zelken, Bill Clark, Bob Ritter, Doug Hannah, Mark Nickerson, Bob Mullen.

GOLF

1970

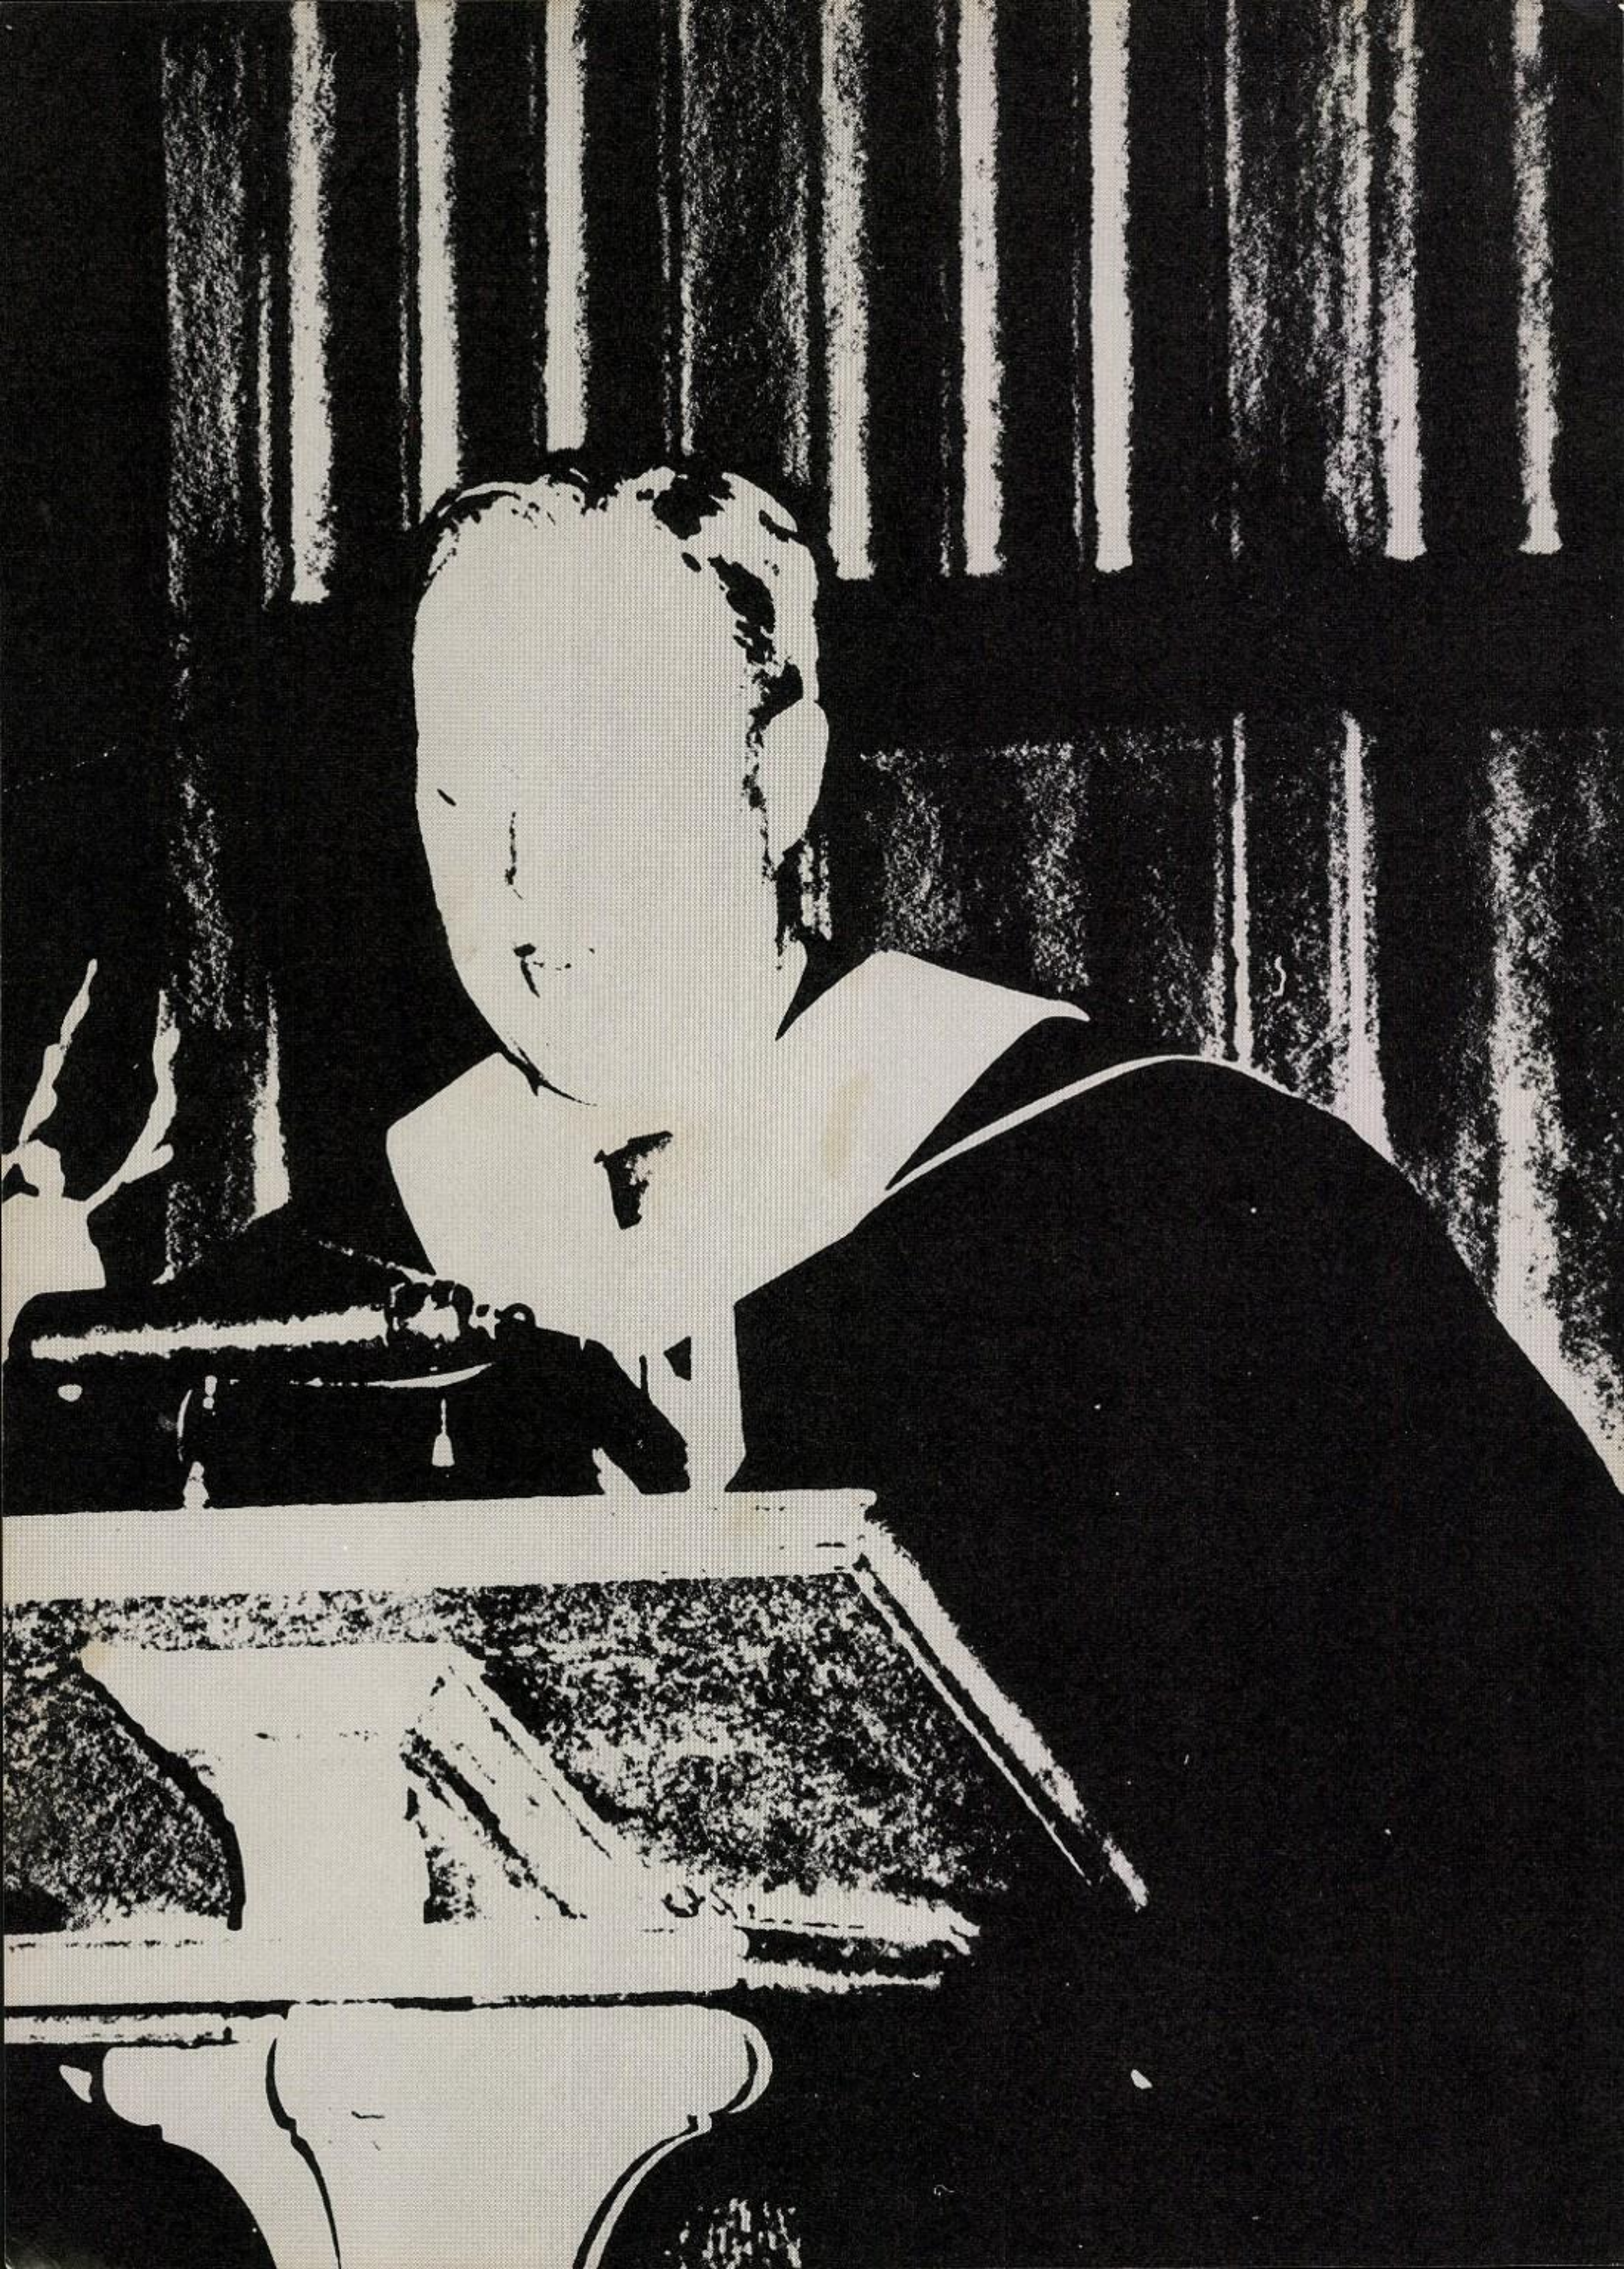

For the golf team, this season was full of problems, and can only be labeled as a character builder. The team, at first, appeared to have a strong chance for a good season, until a few members dropped out. Then while playing without a number one man, the team was totally demoralized. Once he came back, however, a team began to form. Towards the end of the season, everyone was playing much better due to greater experience and confidence.

Even with four starters coming back next year, the future looks pretty gloomy. We have lost our number one and two men who have played those positions for the past two years. However, if we can pick up a few good players, and if we can pull together from the start, we may all be surprised.

GRADUATION 1970

Thanks!

Thanks, Mr. Pethick, for the help you gave the 1970 Del Todo Staff throughout the year. Whenever things got rough near a deadline, you took valuable time away from your dartboard to help us fill a page, or get some photographs, or lay out a page. Putting together the yearbook was a hard job, and a big one too, but your advice made it just that much easier to meet each deadline and finally complete the book. *Thanks!*
